

August 19, 2021

MBA Nicolaas van Wyk
President
Southern African Institute for Business Accountants (SAIBA)

Dear MBA Nicolaas,

I am pleased to contact you on behalf of the Mexican Institute of Finance Executives (Instituto Mexicano de Ejecutivos de Finanzas: IMEF), the leading organization for finance professionals in Mexico and IAFEI member.

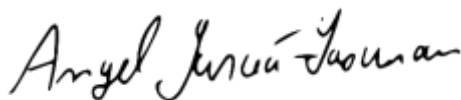

As you know this year IMEF will be hosting of the 51st IAFEI World Congress 2021 along with our XLIX National Convention, whose title is: "New Economy: Private Initiative, Public Policies and Development". The event will be focused on identifying and analyzing what the key components of a successful economy for the 21st Century should be, from a global perspective.

In this regard, IMEF is pleased to extend an invitation for you and the Southern African Institute for Business Accountants (SAIBA) members to attend this important event for IAFEI & IMEF. It will take place on November 18th and 19th at the Hyatt Regency Hotel in Mexico City in a hybrid format, hosting on-site and virtual attendees at the same time, at your convenience. It is important to mention that even though our countries have different time zones, all conferences will be available to view them on-demand immediately after the presentation has finished and during the following 90 days after the congress has finished, fully translated to English language.

Attached to this letter, you will find the flyer with information about the agenda and a special fee to participate on a digital format. There is also a special fee for all SAIBA members available on our website, where all registrations are made on the following link www.convencion.imef.org.mx

I very much hope that you and SAIBA members can attend on any of the two available formats.

Sincerely,

Ángel García-Lascurain
President
Mexican Institute of Financial Executives (IMEF)
